

## School Visitors Policy

TreeHouse welcomes visits from all interested parties, parents, family members, carers, professionals, volunteers, and students. For the visit to be successful all concerned, we must ensure that there are procedures which are followed. Therefore, the purpose of this policy is to:

1. Protect the pupils' dignity and privacy;
2. Promote trust and confidence between all parties;
3. Ensure that disruption to the school is kept to a minimum;
4. Promote transparency of practice.

### Procedure

- Those wishing to visit the school should make arrangements in advance with the relevant school personnel stating clearly the reasons for the visit. Where appropriate, visitors will be encouraged to attend one of the organised visits, either as a potential parent (Parent Visiting Afternoon) or as a professional (Professional Visiting Afternoon).
- The Head of School should be notified of all visits to the school other than the usual review visits made by parents/carers.
- All visitors, including parents/carers, must be signed into the building at Reception and wear a visitor's badge throughout their visit. The visitor's badge should be returned to reception before leaving the building.
- Visitors must not be left unaccompanied in any areas accessed by pupils, this includes the minibus turning-circle and garden.
- On rare occasions incidents may occur with pupils and staff will ask visitors to leave or redirect their route. Answers to questions may need to be deferred.
- Tours should be restricted to corridors unless pre-arranged (but can enter non occupied classes / offices).
- Visitors should not engage with our staff or pupils unless invited or a social approach is made by a pupil.
- Confidentiality must be a paramount consideration for visitors.
- Visitors must be mindful that staff will not give out any confidential information on pupils.
- Pupil issues must not be addressed with parents, visiting professionals or between staff in common areas; a confidential space should be found.
- Where possible, visitors should not be taken to the staffroom during break times.
- Staff and pupils are to be prepared for the visitors to the fullest extent possible.
- The school will seek parent/carer permission before any professional visits to the school in relation to specific pupils are agreed. The only exception to this will be for Best Interest meetings and multiagency meetings.
- School office staff will be aware of class timetables so the whereabouts of specific children and classroom staff are always known so they can be easily located.
- Family members are welcome to visit and observe their children in class, but by prior arrangement only.
